PROFILE

Frontend Developer with over a year of hands-on experience in building responsive and user-friendly web applications. Proficient in NextJS, TypeScript, and Tailwind CSS, with a strong focus on creating clean and maintainable code with strong communication and collaboration skills. Skilled in translating design mockups into functional and visually appealing interfaces. Passionate about staying updated with the latest frontend technologies and trends

----

WORK EXPERIENCE

Intern Frontend Developer

HNG Internship   07/2024 - 09/2024 (remote)

- Worked in an agile and fast-paced environment with daily stand-ups and check-ins.
- Implemented new features, fixed bugs, and wrote unit test using Vitest to ensure all features work as intended and reduce bugs
- Consumed APIs created by the backend developers

Intern Frontend Developer

Enoverlab Open Source Internship   07/2024 - 09/2024 (remote)

- Worked with a team of developers, designers, and product managers with weekly check-ins to build a live project (thegreenremedies.com)
- Worked on pages, made it responsive, and fixed bugs
